

# Domino Effect: How the Venezuela Crisis is Reshaping the World

**VENEZUELA:  
US MILITARY INTERVENTION  
& MADURO CAPTURE  
(JAN 2026)**

## GEOPOLITICAL SHOCKWAVES

### Return of the Monroe Doctrine

US reasserts dominance, signalling a global shift towards regional 'spheres of influence'.

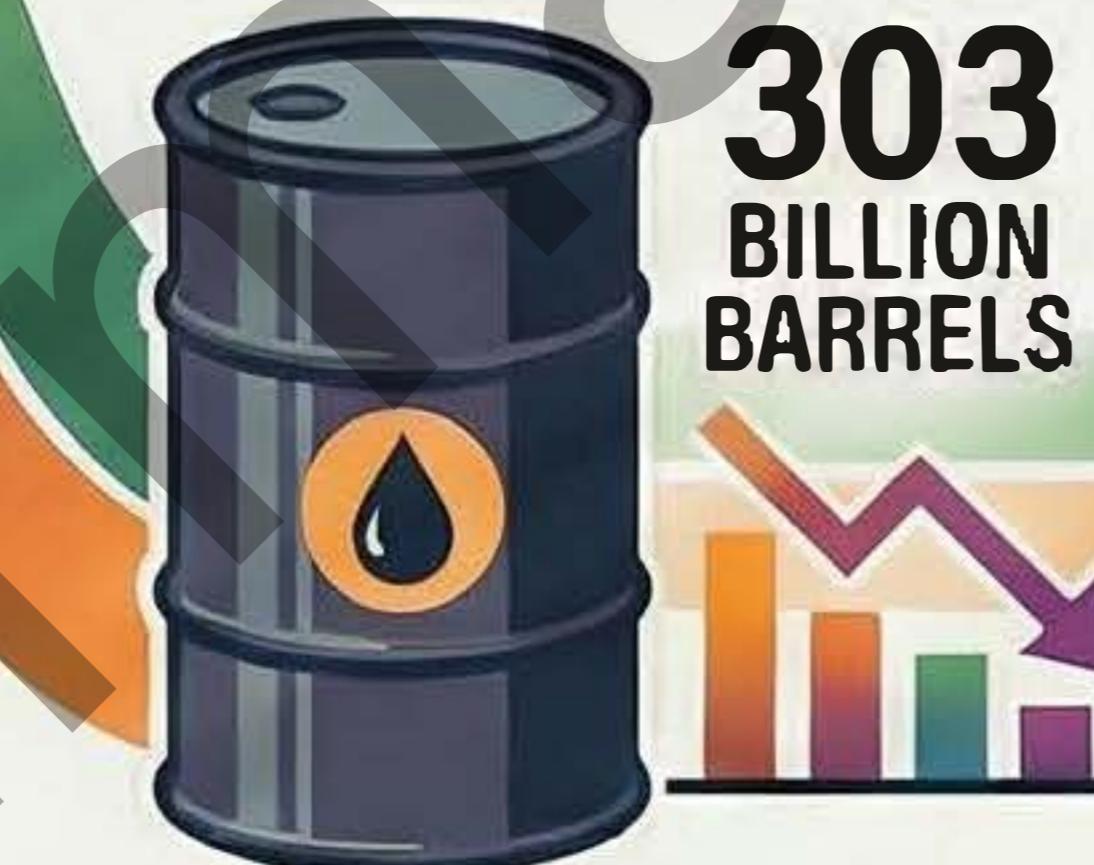

### Eurasian Counter-Alignment

Russia, China, and Iran are expected to deepen security cooperation against US influence.

### A Dangerous Precedent is Set

The move may embolden Russia in Ukraine and China regarding Taiwan.

## ECONOMIC & ENERGY FALLOUT

### World's Largest Oil Reserves in Play

Venezuela's 303 billion barrels could lower long-term oil prices but cause short-term instability.

### India's Unexpected Windfall

State-run ONGC Videsh could recover nearly \$1 billion in long-pending dues.

## STAKES LOST BY CHINA & RUSSIA

### CHINA STAKES LOST

- >\$10bn debt
- Near-monopoly on oil exports
- Strategic minerals
- Key infrastructure

### RUSSIA STAKES LOST

- Military hub
- Largest Latin American arms client
- Billions in infrastructure credit
